# Drink Menu

**Welcome.**

We genuinely appreciate that you have many options on where to dine and you’ve chosen us.

Since February 8, 2005 we have never wavered from our commitment in only serving delicious food and drinks made with high quality ingredients, made by skilled professionals and to treat our guests like gold. We realize the items on our menus are not cheap, but as you know, nor is sourcing and properly preparing great ingredients as well as attracting and retaining talented people who care. Working with quality products and people is the path we’ve chosen and with nearly two decades, a Great Recession and Pandemic behind us, we forge ahead eternally grateful for those who’ve seen the value in what we do and supported us along the way through thick and thin.

Our guiding principles towards food and people: *People Matter Most, Passion Pleases, Local is Priority, Seasonal Makes Sense, Authenticity Rules, Quality Governs, Delicious Trumps, Pretense Sucks, Comfort Feels Good, Appreciation Tastes Better, Prudence Sustains it All!*

Our company's purpose is to make people feel good and our community a better place. We care deeply that you have an exceptional experience and thank you again for choosing us.
